SUBMISSION: 27/03/2023**

CALL FOR PAPERS

OBJECTIVE OF THE SEMINAR

In the present time economic development in a sustainable manner has become indispensable for the planet earth to survive. In this context, various issues are emerging in all economies over the globe to achieve the goals of sustainability without compromising the primary development agenda of the nations. The objective of this two-day Seminar is to focus on these contemporary issues of development, especially for India. The aim is to bring together academic researchers, educators and scholars to focus on these contemporary developmental issues and share their research findings pertaining to the developmental goals of emerging economies like India.

THEME

The Seminar is structured around a number of sessions based on the sub-themes. Research papers in the various fields related to trade, environment, agriculture, industry, health, gender, and many other relevant aspects are invited from academicians and research scholars for presentation. **Presented full-length papers will be evaluated for publishing in Seminar Proceedings with ISBN Number (peer-reviewed).**

Sub Themes: i) Trade and Development
ii) SDGs
iii) Environmental Issues
iv) Health Issues
v) Agricultural Policies
vi) Industrial Achievements, Problems and Policies
vii) Gender and Economy
viii) Education and Development

Original papers from the above themes are invited. However, Papers on Indian Economy with some focus on above themes are also invited.

Papers and abstracts should be mailed at: ddmrmseminarecon2023@gmail.com in MS-WORD format.

Papers have to be presented in offline mode only.

Guideline for abstract submission:

The maximum word limit of the submitted abstract is 500 including 3 or 4 keywords. The abstract should be written in MS- word format, Times New Roman font with size 12 and 1.5 line spacing.

Guideline for submission of full Paper:

The full paper will be within 4000 words including the abstract and 3 or 4 keywords. The paper should be written in MS- word format, Times New Roman font with size 12 and 1.5 line spacing. Referencing Style should be APA 7th Edition.
