

A REPORT ON A CULTURAL PROGRAMME

ORGANISED BY

STUDENTS OF DEPARTMENT OF GEOGRAPHY

DATED 5TH APRIL,2022

The students of Geography Department, DDMRM, had always been very much active and spontaneous in various cultural events. They not only engage themselves in study but also take part in different college programmes with full of enthusiasm.

Here are some glimpses of a Cultural Programme which was organised by the students of Department of Geography on 5th April,2022. The main initiative was taken by the 6th Semester students as that's the last year for them in college. Therefore, they invited all the faculty members of DDMRM, arranged some beautiful gifts for all the faculties of Department of Geography.

The students of 6th Semester and some selected students of 2nd Semester of Geography Department jointly planned for a beautiful event where they performed in Chorus Songs, Dance, Recitation that were highly commendable. All of the faculty members truly enjoyed their each and every

performances.

At last, they all surprised us by their appreciable performances in a short Drama with a duration of 15 minutes only which was directed by Sri Ratul Nandi, Faculty of Department of Education, DDMRM. The concept of the Drama and the acting of the students mesmerised

all the audiences.

The Head and the other Faculty members of the Geography Department arranged a beautiful cake for the lovely students that had been cut by the teachers and students also get her in presence

of other faculty members of DDMRM. Also, some beautiful Photographs were clicked at the end which will be cherished by the

faculties of Department of Geography forever.
