Aims/ Objectives:

Dum Dum Motijheel Rabindra Mahavidyalaya holds a devoted commitment to the fundamental principles of inclusivity and equity within its educational framework. This commitment comes from the belief that education should be a right accessible to all, regardless of their economic background or social circumstances. The college recognizes the importance of providing equal opportunities to every student who aspires to excel academically and recognizes that financial constraints should not be a barrier to achieving their educational goals. To turn this commitment into tangible action, the college has formulated the Student Aid Policy, a comprehensive program that embodies the values of inclusivity and equity.
