STUDENTS' SEMINAR

On

EDUCATION AND ITS DIFFERENT ASPECTS

On the Auspicious Occasion

of

NATIONAL EDUCATION DAY

11th November, 2022
at 12 Noon

Organized by
Department of Education
Dum Dum Motijheel Rabindra Mahavidyalaya

On 11th November 2022 Department of Education organized a Student Seminar on the auspicious occasion of National Education Day. National Education Day is celebrated in India on November 11th every year. It marks the birth anniversary of Maulana Abul Kalam Azad, who was India's first education minister. He served from 1947 to 1958. The seminar started at 1 pm in the departmental room. In the presence of the Principal, Teacher Council Secretary, IQAC Co-Ordinator, and the faculty, a total of twelve (12) honors students from different semesters participated and presented their topics related to education.

At the start of the seminar, the faculties of the Department of Education felicitated the Principal, Teacher Council Secretary, and IQAC Co-Ordinator. After the felicitation, students presented their topics in front of the teachers. Some of the topics are - "The advantages and Disadvantages of the Internet in our daily life", "Sustainable Development", "Women's education in India - Pre & Post independence", "The great educator Abul Kalam Azad".

Student seminars are kind of drills for practicing speaking in front of many people. And also it is a process of exploring your mind to gain the exact knowledge of the topic or the subject. Students get confidence in speaking, nurturing their knowledge. Education is a study of all-round development. So, the student seminar is very important for the development of students internally and externally.
